ABOUT US

Sage Guitar Singapore

Sage Guitar is a Singapore-born brand focused on providing affordable, reliable, and beginner-friendly instruments.

Every Sage guitar is designed with comfort, tone, and durability in mind — perfect for all ages and all levels of playing.

Our Promise:

- Quality at an accessible price
- Comfortable action & smooth playability
- Reliable tonewood choices
- Beginner- and student-friendly designs
- Support local musicians & creators

Play With Heart.

SAGE BS001 VINTAGE

Size: 36-inch (compact)

Top: Solid Spruce (improves with age, bright and resonant tone)

Back & Sides: Sapele (warm midrange, good projection)

Fingerboard: Rosewood (smooth playing, classic durability)

Bridge: Rosewood

Tuning Machines: Closed gear with black hardware

Finish: Natural matte (BS001) / Vintage matte (BS001 Vintage)

Style: Acoustic

Ideal for: Beginners, youth, travel use

Highlights: Compact size, easy to handle, lightweight, solid spruce gives depth and resonance

SAGE BS001 NATURAL

Size: 36-inch (compact)

Top: Solid Spruce (improves with age, bright and resonant tone)

Back & Sides: Sapele (warm midrange, good projection)

Fingerboard: Rosewood (smooth playing, classic durability)

Bridge: Rosewood

Tuning Machines: Closed gear with black hardware

Finish: Natural matte (BS001) / Vintage matte (BS001 Vintage)

Style: Acoustic

Ideal for: Beginners, youth, travel use

Highlights: Compact size, easy to handle, lightweight, solid spruce gives depth and resonance

SAGE SAG002

Size: 40-inch with cutaway

Body Style: Cutaway steel-string acoustic

Top / Sides / Back: Sapele

Finish: Matte

Tuneability: Standard acoustic guitar tuning

Hardware: Standard acoustic bridge and tuning machines

Ideal for: Players who want easier access to higher frets and balanced tone

Highlights: Cutaway access, comfortable playability, warm sapele tone for balanced sound

SAGE SAG001

Size: 41-inch (Full dreadnought style)

Body Style: Full body acoustic

Top / Sides / Back: Sapele

Finish: Matte

Hardware: Standard acoustic bridge and tuning machines

Ideal for: Players who want louder projection and a full acoustic voice

Highlights: Robust acoustic volume, classic dreadnought feel

SAGE SCG001

Size: 39-inch classical

Top: Spruce (bright clarity)

Back & Sides: Sapele (warm resonance)

Fingerboard: Engineered Wood

Bridge: Engineered Wood

Strings: Nylon (normal tension — gentle on fingers)

Finish: Gloss
